**Re: United States v. Danny Kuo,
12 Cr. 121 (RJS)**

Dear Judge Sullivan:

The parties in the above-referenced case respectfully submit this letter in connection with the Court's order at the last conference in this case. At that time, July 1, 2014, Your Honor adjourned sentencing of the defendant and directed that the parties provide the Court with a letter within 48 hours of a decision in the pending appeal of United States v. Todd Newman and Anthony Chiasson, and no later than November 3, 2014, as to the rescheduling of Kuo's sentencing.

Because the decision in that case has not yet issued, for the reasons that the Court articulated at the last conference, the defendant wishes to adjourn sentencing further, and the Government has no opposition to such further adjournment. We therefore respectfully propose that the Court set another control date by which the parties can update the Court; if the pending appeal is decided in the meantime, the parties will of course contact the Court within 48 hours regarding scheduling of sentencing.

Hon. Richard J. Sullivan
